25 YEAR CLUB TRIP 1947
ON STEPS OF COACH

BARBARA ANN SCOTT'S VISIT 1949

OUR GENERAL

The name and the man, Edward A. Pickering, will long be remembered in Regina branch by every employee who has come to know our popular General Manager. Our president has chosen him for a more comprehensive field in Toronto and we are proud.

His loyal friends, from the top of the building to the boiler room, Mail Order, Retail or Warehouse will remember "the boss" for many reasons . . .

- His cheery greetings always accompanied by a name,
 - His diligence and inspiration,
 - His open door, the many improvements and privileges his efforts effected and his keen interest in employee welfare.
 - For the staunch support and patient advice always available to the Social Club,
 - For conceiving the happy idea of honoring 25 Year Club members at dinner from which thought developed the present functions held in honor of these long service employees,
 - And then this excellent staff medium, The Digger, owes its organization and existence to E. A. Pickering.
- Yes, many of us shall miss him for his love of fun, others

know him from the curling rink, where he throws a “mean rock”, —our Social Club dances are never quite complete without Mr. and Mrs. Pickering; his individual greeting to everyone on the annual picnic train and good sportsmanship during the day are things not easily forgotten.

It is not only we Simpsonites who have reason to feel a loss. Regina has benefited from its association with our Mr. Pickering and we have been proud that many organizations have sought to profit from his keen business judgment and diplomacy by appointing him to their Boards of Directors. It is said he has been a good-will ambassador for Simpson's in the West and as one Regina business man expressed it, “it is just nice to know that he is there!”

We are losing a true friend, but as one writer has said, “time and change are busy ever—” and so we must accept progress. To Mr. Pickering we can only continue to wish the very best from life in health, happiness and success.

—And, many thanks for being such a swell guy!

Bob joined the company in September, 1920. He began in the mail order 36 Department and from there moved through Returns, Supply and Department 37; the latter department being his livelihood until he left the company in February of 1928. In October of 1931 he rejoined

Simpson's and went into "K" group, then through the mail order Bargain Section where he stayed until again taking leave of Simpson's in April of 1932. In November of 1933 he returned to the fold and, with the exception of two years spent in the army, he has been with Simpson's ever since. During the past 17 years he has seen service with "G" group, Retail Operating (Assistant Store Superintendent) Manager of Store Services and, in addition to the latter, on October of 1950, Manager of the Service Centre.

Congratulations, Mr. Jean!

25 YEAR CLUB MEMBERS ENTERTAINED

In honor of this year's 25 year club members, their wives and husbands, Mr. and Mrs. F. E. Reid graciously entertained in their lovely home on Sunday, October 1st. Mrs. Pickering cut the 25 year club birthday cake. New members present included Mrs. Mary Ennis, Mr. Ed. Barnes, Mr. R. L. Jean and Mr. S. M. Duncan.

The group left the next morning to attend the inaugural dinner in Toronto.

THE 1950 ADDITION TO THE 25 YEAR CLUB

It was a cold Regina the 25 Year Club put behind them when they left for Toronto October 2nd. Everyone was in a gay mood as the special car sat on track 2 awaiting the 9.15 departure and company officials went from person to person wishing each a bon voyage.

The trip down was very pleasant and ended in the same plane when Mr. and Mrs. Townley, of the Toronto branch, met the train at 7.00 a.m. Wednesday and welcomed the Regina group to the East.

Thursday, Friday and Saturday were spent at functions and tours arranged in honor of the 72 new members from coast to coast. Following, for example, are Thursday's events:

A.M.—Tour of Toronto retail.

Lunch at the Arcadian Court.

P.M.—Tour of Toronto Mail Order.

In the evening the event of the trip took place with a banquet in the Arcadian Court of the Toronto retail. Mr. E. G. Burton was chairman and

presented each new member with a gold watch, a blue and gold 25 Year Club pin, and a scroll commemorating the event. Mr. Burton himself became a member this year and was presented with the above mementoes by his father, Mr. C. L. Burton. Mr. Henri Caron of the Toronto Order Office Supervision replied on behalf of the new members.

Several well-known artists, such as the Lunds and Jean Marshall, entertained the group.

On Friday the group visited Glen Erin Hall, then, after lunch, returned to Toronto where they toured the city in the afternoon. The new members travelled to Niagara Falls on Saturday where lunch at the General Brock Hotel and the return trip to Toronto completed the planned portion of their trip. The members returned to Regina individually.

Congratulations to our five new members.

Glad to see Ed. Short, Maintenance, back at work.

This Month The **DIGGER** **APPLAUDS**

Mrs. Parkin who for the past 22 years has been Honorary Librarian in this Branch.

At the October social club dinner, Mrs. Parkin, guest of honour, was presented with an end table by Ernie Harris in appreciation of the hundreds of hours she has spent in the administration of our libraries.

A novel idea of "share-your reading" was the beginning of the staff library in 1926 when the staff donated books

for their fellow members to read and enjoy. Recently it was decided to discontinue the libraries and Mrs. Parkin has assumed the final responsibility of disposing of the many books that have accumulated over the years. These will be distributed among charitable institutions in Regina and other Saskatchewan points.

Visitors To Regina

We were pleased to greet:

Mr. D. H. Gibson, of Toronto, a director of our Company, on September 30th.

Mr. C. L. Burton, Chairman of the Board, on October 7th.

Mr. L. E. Wicklum, of Toronto, Manager of the Special Contract Division, on October 12th.

Mr. E. G. Burton, President, on October 17th and 18th.

THE DIGGER DINNER

Thank You!

On October 3rd the former executive and staff of the Digger and the 1950-1951 executive were guests of the Company at a delightfully informal dinner held at the Hotel Saskatchewan.

Combined with good food and good fellowship was some royal entertainment by local artists, Ray Hunker and Jack Cook accompanied by Lois Pearson. Ken Allan lead the sing-song.

The guests were greatly moved (?) by a skit put on by the present Digger

executive revealing a tragedy in the history of The Bobbed Sampson Western Unlimited.

In his remarks to the group Mr. Pickering outlined the history of the Digger and lauded the retiring staff for their excellent contribution to the development of this "healthy child". His words of encouragement resulted in the present executive silently dedicating their energies to an even bigger and better staff paper.

For a enjoyable evening, for the Company's inspiring interest and encouragement and its kindly show of appreciation we say "Thank You".

The Sportsman's Corner

By CLARE BELL

Golf . . .

The Retail has sent a runner to Broad Street. They have at last found a winner to champion their cause for the Rielly Cup. Dave Soutar, he of the strong right arm, edged Peter Popp for the honors in the Retail division. Fred Walters is the Mail Order contender and must give Dave two strokes.

Curling . . .

Well, first things first, I guess. (The little girl who knocked me down a month ago won't agree, I know.) The ardent curlers or hurlers had themselves an organization meeting. Everybody seemed anxious to start a few new feuds and clean up last year's leftovers.

Bowling . . .

The Monday and Tuesday people are hard at it now. A delegation of bowlers paid me a short visit. It seems they wanted me to go out and try it so that I could give it sensible coverage. Heck! That wouldn't make any difference Well, I got rid of them; I told them I had made quite a study of it, saw a chap bowl 453 the other night. They mumbled about this and left me alone.

There have been some pretty impressive marks on the wall to date in the bowling leagues. Here are a few of the top scores for you people to shoot at. It's early in the season so try to beat these.

High Teams so far:

Monday—No-Good-Nics	107	pts.
Tuesday—Hoot-N-Annies	127½	pts.

High Girls' Average:

Monday—Elsie Mundt	235	pts.
Tuesday—Jean Frazer	229	pts.

Men's High Average:

Monday—Tubby Thauberger	249	pts.
Tuesday—Hank Britton	257	pts.

High Team Scores:

Monday—One game—		
No-Good-Nics	1218	pts.
Three games—		
No-Good-Nics	3406	pts.

Tuesday—One game—		
Hoot-N-Annies	1218	pts.
Three games—		
Hoot-N-Annies	3235	pts.

If any of these scores are wrong, phone Johnny Tappin; if they are O.K., read the Digger next month.

There was considerable chatter about curling, ice, time to curl, who curls who, and the make up of teams. We all agree that these are problems to be handled by the duly appointed executive. There was an election to chose a president, vice-president, secretary and three executive members to take over such duties as are allocated by the executive group. The executive for the 1950-51 Curling Season are as follows and a very able group they are too:

President	- - -	Ken Wright
Vice-President	-	Keith Kilpatrick
Secretary	- -	Helen Henderson
Three Executive		
Members	- - -	George Doust
		Gus Buhler
		Bill Coburn

I attended the organization meeting—fees, and money seemed the controversial points. In my opinion \$9.00 for the season (\$1.00 entrance fee plus \$4.00 payable on December 1st and again on February 9th) isn't too much for a season packed with organized companionship. At that rate we can curl for 25c an hour or 50c a game and I think I'll still have a few "shekels" left over for eating, drinking (cokes) and treating my wife.

The schedule calls for a start on Wednesday, November 15th, for the Retail, and November 18th, for the Mail Order.

Let's start the season out in the proper spirit. I believe it's just plain fun we're out for and friends (if you're still there) it's there for the asking.

There is a large membership drive on for new members. If you can't curl, can't lift a rock, have never seen the game; if you fit into any or all of these categories and think you want to curl, see your Social Club Floor Representative or any of the curling executives.

Gus Buhler elected to Branch Advisory Committee

Congratulations to Gus Buhler who has been elected to the Advisory Committee of the Simpson Employees' Savings and Profit Sharing Fund. Gus is a popular member of our Maintenance staff having joined the Company in July, 1944.

ALLEMANDE LEFT WITH THE CORNERS ALL!

"Hunt that rabbit, chase that coon,
Chase that pretty girl around the room,
Jump up crooked and come down straight
Swing your honey on the garden gate."

As gay as this Grand Chain reel and dressed in a typically "hard time" manner was the fun-loving crowd of 800 that packed the Trianon Ballroom on September 29th on the occasion of our Harvest Hoe-Down.

Blue jeans, loud checkered shirts, slacks and hats of all de-

scriptions was the festive dress chosen by "miladi" and her escort. Bill Dimitri and his orchestra provided music to suit every taste. Reels, old-time waltzes and two-steps were amazingly well executed.

One of the highlights of the evening was the potato dance, winners of which were Jean and Les Chapman.

A cedar chest was the choice of Connie Walsh, Order Review, when her name was drawn for the door prize.

We compliment our Social Club executive on another social success.

SHAKERS!

A suburbanite sitting at his window one evening casually called to his wife: "There goes that woman Charley Jones is so terribly in love with."

His wife, in the kitchen, dropped a plate, knocked over a lamp, and craned her neck to look out the window.

"Where, where?" she panted.

"There," he pointed, "that woman in the gabardine suit, on the corner."

"You idiot," she hissed, "that's his wife."

"Yes, of course," he replied.

If Indian women are squaws what are Indian children? "Squabs".

A tramp knocked on the door of the inn known as "George and the Dragon". The landlady opened the door and the tramp asked "Could you spare a hungry man a bite to eat?" "No," replied the landlady, slamming the door in his face. A few minutes later the tramp knocked again. The landlady came to the door once more. This time the tramp asked, "Could I have a few words with George?"

An American professor, visiting in Paris, met three professors from the Academy de France. In the course of conversation the American asked the professors for the correct definition of "savoire faire".

"Well," said the first professor, "I will try to explain." "If I should come home some evening and find a man kissing my wife and I teep my hat and say 'Good evening', that is savoire faire."

"Not quite," said the second. "If I should come home some evening and find a man kissing my wife and I teep my hat and say 'Good evening. Continue, please, that is savoire faire.'"

"No, not quite," put in the third. "If I should come home some evening and find a man kissing my wife and I teep my hat and say 'Good evening. Continue, please' and he can continue, that is savoire faire."

Three successive notices in the classified column of a small weekly paper tell their own story.

MARCH 22nd: "For sale, slightly used farm wench in good condition. Very handy. Phone 366r2. A. Cartwright."

MARCH 29th: "Correction. Due to an unfortunate error Mr. Cartwright's ad last week was not clear. He has an excellent winch for sale. We trust this will put an end to the jokesters who have called Mr. Cartwright and greatly bothered his housekeeper, Mrs. Hargreaves, who loves with him."

APRIL 5th: "Notice! My WINCH is not for sale. I put a sledge hammer to it. Don't bother calling 366r2. I had the phone taken out. I am NOT carrying on with Mrs. Hargreaves. She merely LIVES here. A. Cartwright."
